Roxbury Community College is in receipt of your information request dated June 25, 2019. In that request, you asked for the following:

- The reported Standard Occupational Classification numbers with the associated names, position titles, position type (full or part-time), and pay of all employees for the years 2010 and 2016.

Attached is a summary of our IPEDS data for the year 2010. We are unable to recreate a report to match the data that was reported to IPEDS for that year. Also attached is the data file used to report for 2016. Please understand that data file used to report does not contain employees' salaries.

Sincerely,

A handwritten signature in black ink, appearing to read 'Patricia West'.

Patricia West

Chief Human Resources and Affirmative Action Officer
